

# Benefits for Individuals, Benefits That Count

## Colonial Life's coverages share important features:

- Coverage is available for your spouse and children with most products.
- Benefits are paid directly to you, unless you specify otherwise.
- With most plans, you can continue coverage when you retire or change jobs, with no increase in premiums.
- With most plans you receive benefits regardless of any other insurance you may have with other insurance companies.

When you choose the right benefits at the right time of your life, you're truly making your benefits count. Check each benefit you would like to learn more about at your personal, 1-to-1 session with a Colonial Life benefits counselor. At the session, you will learn how these products fit into your overall benefits package, and there will be no obligation to buy anything.

- Hospital Confinement Insurance** – Provides a lump-sum benefit for a covered hospital confinement and a covered outpatient surgery to help offset the gaps caused by copayments and deductibles that are not covered by most major medical plans.
